You will find that difficult 😊

We are not surprised by your reaction. You are a big DICK after all. Shame you have NO BALLS!

If you happen to find them after searching your heart for a while, feel free to make a more considered response.

Jameel Peerally Thanks Kitty for making me 'aware'. Please convey a message to your boss King Molyo: King Molyo you can go deposit against me in front of the Queen of England if you wish. You can write all you wish, make accusations as much as you want but BE VERY CAREFUL that the law does not turn against you in the end. That you do not end up at the Psychiatric Hospital in Beau-Bassin where you belong...and Kitty see to it you do not get drag in and become an an accomplice to the criminal. Be aware that my patience has run out..

Kitty Malleck I must say I am disappointed in your reaction, jameel.... I thought that the link would be of interest to you,... I meant well by sharing and ended up accused and threatened.....
